

## TAKE FIVE STEPS

in addition to praying. Look for practical ways to care for your five friends. Help with study problems or be a listening ear.

Be brave and offer to pray whenever you hear about a need or problem.

Listen for the kind of questions the Holy Spirit will stir up in your friends - questions like: What will happen to me after I die? Who is God? What is the point of my life?

Look out for natural opportunities to share your faith. Don't be pushy. Simply share your experience of God when the time seems right.

Persevere. When Christians in China implemented the Take Five Strategy the number of Christians trebled in just one year. Keep going for fifty days.

Above all, don't forget to take five minutes after the fifty days to praise and thank God for using you to build his Kingdom.

Now start again with five new friends, or the same ones.

## TAKE FIVE BLESSINGS

and ask them from the Lord on behalf of your five friends. Remember, they may not go to Him regularly, but you do.

Pray for five areas:

-  **Body-** health, protection, strength
-  **Work-** studies, work, money
-  **Emotions-** joy, peace, love, hope
-  **Social-** meaningful relationships with others
-  **Spiritual-** salvation, grace, mercy, faith

# TAKE FIVE

## GOT ANY PLANS?

**Not really?**

**Great! Then why don't you get together with your awesome heavenly Father and change lives - for good?**

It's easy. Just learn the prayer-care-share lifestyle which millions of other Christians in the whole world are going to learn. You don't have to travel far. You don't have to bunk classes. You don't even have to learn a new language to lead others to the Lord.

All you have to do, is grab a friend and **take five**.

# BE BRAVE AND PRAY!

## TAKE FIVE FRIENDS

**Quick.** Together, think of five people you know who don't know what you know. Maybe they're friends, family members, or fellow students.

Do you want to see God work miracles in their lives?  
Do you have a sense that God has them on his heart?  
Are you willing to be God's helper in reaching them?

**Yes. Yes. Yes? Good.**

Now write their names down.

1.
2.
3.
4.
5.

## TAKE FIVE MINUTES

from your busy schedule to pray for them. That's all. God doesn't need long, clever prayers in order to do His wonderful work. If you're prepared to spend five minutes a day praying for the five people you've just selected, He'll do the rest!

We,   
  
and   
  
commit ourselves today,

To pray for our five friends for 50 days.

## TAKE FIVE DAYS

out of your week to pray for your five friends. And then take two days off.

Why?

So that this priviledge does not start to feel like a pain in the neck. We want you to get maximum enjoyment out of creating good things with God.
